BEST CROP

That Farmers in This Vicinity Can Produce.

The prospects ahead of the farmers for this season make it imperative to plan for crops of positive value. It is not a time to gamble on the markets.

The surest crop, the earliest cash returns, the most profitable crop that can be produced in this vicinity is tomatoes, under a contract with the Louisa Canning Company. This contract will settle the question of market for you. The company is compelled to buy a crop if a contract is signed. Your crop is sold therefore before it is even planted. No guessing, no wasted efforts in finding buyers, no peddling no tomatoes rotting on your hands for lack of market. What better could any man ask?

The price is 25 to 35 per cent. Higher here than in the largest tomato growing districts, and they cannot produce better than we can. A tomato crop does not require the best soil and it improves the land. A small investment in fertilizer, when needed, will pay big returns.

The farmer who has a number of children is especially equipped for handling a tomato crop. The picking can be done by women and children and this is the only part of the crop that requires extra help.

Every year that slips away from you with this opportunity unimproved is a year in which you lose money that is within your reach. Get out of the rut. Do not farm altogether as your ancestors did. Meet the demands of the time and profit thereby. Start now and improve your condition.

McClure-Cheek.

Joseph K. Cheek and Miss Daisy McClure were united in marriage at one o'clock, Friday afternoon, February 12, at the home of the bride's parents at Gallup. Rev. Williams, of the M. E. Church performed the ceremony. The affair was kept a secret from all except the bride's parents. The bride was dressed in brown silk.

Mr. McClure entered the parlor followed by the bride and groom, who took their places in front of the minister, who married them.

After the ceremony Mr. and Mrs. Cheek received the congratulations of friends who were present. The bride is the youngest daughter of Mr. and Mrs. A. H. McClure. She is a devoted Christian and a popular young lady in her large circle of friends.

The groom is a son of Isaiah Cheek and bears the reputation of integrity and industry he is a highly respected and Christian gentleman. We extend congratulations to him and his worthy wife.

A Friend.

Republican Primary April 3rd.

The Republican County Committee met at Louisa last Friday and decided to hold a primary election on Saturday, April 3rd, to nominate candidates for county offices to be voted for next November.

The candidates are numerous and the fight is growing warm.

Dow McCoy, who was arrested on the charge of setting fire to the Barn of William Thompson, on Little Blaine, last Thursday, is now in jail, in default of bail in the sum of \$500. Bill Mullins' dog, located McCoy, and Squire John Hughes located Dow by committing him to the county jail to await the action of the April grand jury.

William Thornbury has sold to Atkinson Bros., of Carrollton, Ky., the finest fleet of timber that the Sandy river has produced this season. There were about 1,200 spindled logs in all the rafts, which will be taken from here to the mouth of Kentucky river.—Ashland Independent.

Mrs. Sarah Bissell is hopelessly ill at Huntington from uremic poison. She is a sister of George C. Moore, of Gallup, this county, and Prof. T. B. McClure, of Waynes-

A Change at Conley's.

Mr. W. Arlo Moore, watchmaker and graduate optician, is now in charge at Conley's store, in Louisa. Most of our citizens remember that he was here for several months about four years ago. He is a pleasant, courteous gentleman, thoroughly reliable and entirely competent to handle all work that may come to him in the line of accurately fitting spectacles, and repairing watches, clocks and jewelry. Customers are assured of courteous and fair treatment and first-class work.

It is not often that a town of this size has a competent optician. Dr. Moore is a graduate from one of the best optical schools and has had several years of successful practice. All who need glasses should consult him.

Sale of Coal Properties.

Harry A. Loche, of Philadelphia, acting for himself and associates, has contracted to purchase four operating coal mines on the O. & R. division of the C. & O., and will take the properties as soon as titles have been approved. The properties will be consolidated and the entire output will be used for manufacturing coke, over 2,000 coke ovens to be constructed. Mr. Loche is negotiating for additional coal properties, and all the mines will be equipped with electrical machinery for cutting, lighting and power. He is also negotiating with an export lumber company relative to cutting timber on the lands.

Marriage at Cherokee.

On last Friday evening, February 12, a quiet little wedding took place at the beautiful residence of W. H. C. Thompson, of Cherokee. Their youngest daughter, Aurie B. Thompson, was united in marriage to R. J. Ward, son of J. T. Ward, a prominent merchant of this place. Rev. J. O. McNeal performed the ceremony. The parlor was well filled with friends and relatives and we earnestly pray to God of heaven that joy and peace crown their pathway, as both are very young. Sweetheart.

Items of Interest About Louisa's Prosperous School.

Ellis Conley, from the Preston Baptist Institute has enrolled as a student in the Kentucky Normal College.

The reception for the students of the surrounding counties and States, is announced for February 19th, 7 p. m. The doors will be opened promptly at 6:45, and all are advised to come early and secure seats. The court house has been secured for the occasion, and every one is invited to attend. The date chosen is the one on which Pres. Alfred Holbrook's birthday is generally celebrated. However, his birthday was celebrated at Lebanon, this year, on the 13th. Many thousands were present and paid just tribute to this distinguished man.

The students of the several counties met Saturday afternoon and organized clubs composed only of students regularly enrolled in the K. N. C., and claiming as their home the county for which they apply for membership.

The purpose of these organizations is to create a spirit of loyalty among the students, for their county and their school, to promote a feeling of good will and friendship towards each other, to act as a medium through which the students may become better acquainted and to work for the success of both the students and the school. The counties already heard from report a good attendance. They are.

Lawrence—Officers elected: E. W. Pendleton, President; Miss Arthur Berry, Vice President; Miss Ada Jones, Secretary; Miss Laura Miller, Assistant Secretary; Frank Crutcher, Treasurer. Arrangements for the receptions to be held to-night (Friday) were made, after which there was some good speaking, Doch Jordan and Ben Fugit entertaining. All members showed enthusiasm, and seemed highly pleased with the results.

Magoffin—Officers elected: Miss Daisy Patrick, President; Joseph Howard, Vice President; R. S. Montgomery, Secretary. There were speeches by the President and Vice President, and also addresses made by several other members, among whom were Messrs. Ramey Wrennan, Lacy Carpenter and S. C. Allen. One of the speakers said: "When I came to the K. N. C., I was surprised at the amount of work being done by the students as a whole, and such an enormous attendance, which is daily increasing."

Johnson—Officers elected: Willie Caudill, President; Miss Virgie Colins, Vice President; and Miss Mae Stafford, Secretary. After the election of officers several interesting subjects were discussed, and speeches which were greatly enjoyed were made by several of the members. The meeting adjourned, each roundly determined to make his county the strongest in both intellectual and moral development.

Floyd—Officers elected: K. C. Goodman, President; Miss Cordelia Stewart, Vice President; Miss Sallie Gearhead, Secretary. Speeches were made by Ed Allen, Miss Stewart and Miss Willie Byington, which were well received. The assembly adjourned all feeling highly elated over the results of their organization.

Each member is working with might and main to cause his country to lead.

A Big Sandy Insurance Agent.

The West Virginia State Agency of the Equitable Life Assurance Society has issued its report for 1908. It shows the R. A. Bickel, of Louisa, stands at the head of agents in the number of applications written and second on the list in the total amount of insurance sold and paid for. He began work for the company in April, while all the other leading agents on the list worked the entire year. This is a record worth mentioning.

The two year-old-daughter of Milt McKinster, of Adams, fell from a table one day last week and broke the freight depot and will move one of her legs.

A Good Old Age.

The following from the Big Stone Gap Post has sufficient local color to make it interesting to many of our readers:

Samuel Salyers, perhaps the oldest man now living in the south, resides near Norton, in Wise County, Virginia, and is, according to the best information obtainable, 114 years old.

This good natured pioneer of the Virginia mountains spent his life in comparative poverty, not realizing that his possessions were worth millions of dollars. He at one time—and that only a few years ago—owned the entire boundary of fine coal lands laying around the town of Norton.

He is of Irish descent, being a son of one of two brothers who came to this country from North Ireland a hundred and fifty years ago. The Salyers settled at what is known as Salyersville, Ky., and founded that town.

Last Thursday, T. M. Zeigler, an employee of the Virginia Car Association, with headquarters at Richmond, Va., stepped off the train at Fort Gay, and from his actions it was soon discovered that he had lost his reason. The N. & W. agent here knew him and notified the officials at Portsmouth. In the meantime Zeigler had told some one that he was a Mason and belonged to Courthouse Lodge, Va. A committee was appointed to examine him, and while he would not talk but little, they got enough out of him to satisfy him that he was a member of that lodge. They then wired the Lowry Lodge and got a prompt reply from H. Zerkel, master, that Zeigler was a member of the lodge in good standing and requested Vinson Lodge to take him to Roanoke, Va. S. W. Frazier left here with Zeigler on No. 16, Friday, for Roanoke. He was met at Bluefield, W. Va., by the chief clerk of Supt. Cook, of the Radford division of the N. & W. railroad, who accompanied them to Roanoke. He was then sent to Natural Bridge, Va., where he was taken charge of by his brother, Dr. Zeigler.

Mr. Zeigler is of a prominent family, and was holding a responsible position. His reason left him all at once,

INDIGESTION ENDS.**Misery from your Disordered Stom-
ach goes in Five Minutes.**

You can eat anything your stomach
craves without fear of a case of Indi-
gestion or Dyspepsia, or that your
food will ferment or sour on your
stomach if you will occasionally
take a little Diapepsin after eating.

Your meals will taste good, and
anything you eat will be digested;

nothing can ferment or turn into
acid or poison or stomach gas,
which causes belching, dizziness,
a feeling of fullness after eating,
Nausea, Indigestion (like a
lump of lead in stomach), Billowing,
Heartburn, Water brash,
Pain in stomach and intestines or
other symptoms.

Headaches from the stomach are
absolutely unknown where this effective
remedy is used.

Diapepsin really does all the work of a healthy
stomach. It digests your meals
when your stomach can't. Each
triangular will digest all the food
you can eat and leaving nothing to
ferment or sour.

Get a large 50-cent case of Pape's
Diapepsin from your druggist and
start taking today and by tomorrow
you will actually brag about your
healthy, strong stomach, for you
can eat anything and everything
you want without the slightest
discomfort or misery, and every
particle of impurity and gas that
is in your stomach and intestines
is going to be carried away without
the use of laxatives or any other assistance.

IF WOMEN ONLY KNFW**What a Heap of Happiness it
Would Bring to Louisa Homes.**

Hard to do housework with an
aching back.

Brings you hours of misery at
leisure or at work.

If women only knew the cause—that
Backache pains come from sick
kidneys.

"Would save much needless woe.

Doan's Kidney Pills cure sick
kidneys.

Louisa people endorse this:

Mrs. G. W. Skaggs, of Lock Ave,
Louisa, Ky., says: "I have never
heard of a case of kidney trouble
where Doan's Kidney Pills did not
live up to representations."

They gave me entire relief from a severe
attack of kidney complaint and
rheumatism. The kidney secretions
were acanty and caused a droopical
swelling in different parts of my
body. I felt generally tired and
depressed and was weak and nervous.

The least exertion left me
tired and I could scarcely perform
my housework. Doan's Kidney Pills
removed every annoying symptom
and proved so satisfactory that
I cannot hesitate to recommend them."

East Point.

Not long since I picked up an
old copy of the Kentucky White
Ribbon, and glancing over the first
page I saw the request of Mrs.
Phoebe Wallace of Louisa asking that
at our State meeting of the W. C.
T. U. they should sing for the
opening hymn, "O Do Not Be Discouraged,
For Jesus Is Your Friend."

As I read the sweet comforting
words of the old song, the tears
came thick and fast and flood
of old sweet memories came surging
through my brain—memories of some
of the good women whose lives have
in various ways touched mine. I
remembered the first Sabbath school
I ever attended. In Prestonsburg
about the close of the Civil War,
Mrs. Mary Martin Trimble, afterward
Armstrong, organized a Sunday
school in a little dwelling house,
standing where Smith's Hotel now
stands. Some planks were laid around
the wall for seats and a little
stove kept the room warm.

There this good woman assisted
by Uncle Sam May and Uncle Tom
Ford, would gather the children of
the town together with her own
little ones, Jimmie and Malcolm, and
teach us as best they could to be
better children than we would otherwise
have been.

I often wonder now, as I think of
this why the other mothers of the
town were not with

EFFECTIVE RECIPE.

Home-made Kidney, Bladder and Rheumatism Medicine for Readers:

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it:

Fluid Extract Dandelion, one-half ounce; Compound Karon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

These ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure rheumatism by forcing the kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

Echo, Ky., Feb. 10.—Edward Ham, in company with John Reeder crossing Tygart Creek at Lewis' Ford in a pull boat at 3 o'clock this afternoon was drowned by the boat capsizing. Mr. Reeder saved himself by swimming to shore. Ham's home is at Olive Hill, Ky., where he has a wife and three small children. He had been working on the pipe line here, but complained of feeling bad and concluded to quit and go to his home at Olive Hill to see his family.

'TWAS A GLORIOUS VICTORY.

There's rejoicing in Fedora Tenn. A man's life has been saved, and now Dr. King's New Discovery is the talk of the town for curing C. V. Pepper of deadly lung hemorrhages. "I could not work or get about," he writes, "and the doctors did me no good, but, after using Dr. King's New Discovery for three weeks I felt like a new man, and can do good work again."

The Republican delegates which were elected at the precinct meetings held in Floyd county on Saturday, February 6th, for the purpose of nominating the county ticket to be voted for at the regular November election of 1908, met at the Court House in Prestonsburg on Tuesday, February 9th, for that purpose.

The following ticket to fill the said county offices was nominated:

Malone Hall, for County Judge; Walter W. Reynolds, for County Attorney; A. L. Allen, for Circuit Court Clerk; H. L. Lafferty, for Sheriff; James Harris, for County Court Clerk; Ballard Martin, for Jailer; Robert Frasure for Super. of Schools, and Andrew Hamilton for Coroner.

Shelby J. Dish, of Central City, Ky., a prominent Kentucky coal operator, is associated with a number of Louisville capitalists, among them Dr. W. H. Netherland and Vernon J. Ilow, in coal and timber lands in Magoffin and Carter counties. Mr. Dish and his Louisville associates are going to develop the property, and will open up mines and saw mills right away. It is also their purpose to build a railroad that will connect their property with the L. & N. and Southern. Thousands of dollars will be spent in the developments and improvements to be made, and the mining company will be one of the biggest concerns in Eastern Kentucky.

In the case of A. J. May and others growing out of complaint filed alleging inadequate depot facilities at Prestonsburg, Ky., on the Big Sandy division of the Chesapeake and Ohio Railroad company quite an extensive record was obtained and some able briefs filed by attorneys for both sides. The Railroad Commission is now absorbing these very voluminous documents and will render its decision some time next month. The commission will make an investigation of its facilities complained of before a decision is made in the case. It is said that the citizens of Prestonsburg are asking the C. & O. Railroad Company to erect a freight and passenger depot at a cost of several thousand dollars at a spot where it would almost be impossible to construct a "woodshed," the tracks of the company running alongside a high mountain and a very rough river.

A cowardly attempt to mob Rev. Morris pastor of the Long Run Methodist church took place Saturday night in that community and from all reports he was waylaid by a gang of members of the United Brethren church on Long Run, says the Portsmouth Times.

As Rev. Morris left his church at 9:30 o'clock Saturday night he was attacked by a mob headed by a well known widow of that vicinity. The gang abused Morris shamefully and pelted him with stones and sticks. The mob stationed itself in

the yard of Phillip Babat, while the woman in question, called Rev. Morris a number of very ugly and uncomplimentary names. Rev. Morris is a splendid minister and the unwarranted assault made upon him has thoroughly aroused the residents of Long Run.

It is a church feud, as the congregations have long been at swords' points. It is understood that some sensational developments will follow Saturday night's incident. Rev. Morris has the name of every person in the crowd and intends to prosecute them. A racial church fight is something new for Long Run and Scioto country and the outcome will be watched with interest.

Systemic Cataract.
Mr. Samuel Burdick, 701 Springdale Ave., Summit, N. J., writes: "In the fall of 1908 I had repeated attacks of cold, which developed into systemic cataract.

"It left me very weak and all run down. When I got up in the morning it would take about an hour to get my head and throat clear.

"It also left me with a very weak, all-gone, empty feeling in my stomach, which I thought was dyspepsia, for which I tried different remedies with very little improvement.

"I finally decided to give Peru-na a trial. I felt benefited with the first dose. After taking three bottles I was entirely cured. I cannot speak in too high terms of your wonderful discovery, Peru-na."

Home-made Kidney, Bladder and Rheumatism Medicine for Readers.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble. If taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

These ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure rheumatism by forcing the kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.
